

PCPL 3.2-3 Lost Items

If library items are lost or destroyed due to negligence, the borrower will be charged the cost to replace said items with accepted material of comparable literacy and monetary value, plus a \$2.00 processing fee for each item lost or destroyed. Once the replacement cost has been paid, the money cannot be refunded if the items are later found and returned. If the items are lost due to an Act of God or theft (police report required), the borrower will not be held liable.
