

PCPL 3.1-9 Reconsideration Procedures

The choice of library materials by users is an individual matter. A person may reject materials for himself, but cannot exercise censorship to restrict access to the materials by others. Since a diversity of materials may result in some complaints, they will be handled in an attentive and consistent manner as follows:

1. Complainant will be asked to fill out the Patron's Request for reconsideration of the Library Materials form.
2. The complainant will then be asked to meet with the Director and another library representative to discuss the request.
3. A decision will be made concerning the request.
